

# MISSOURI DRUG CARD

WWW.MISSOURIDRUGCARD.COM

## Frequently Asked Questions

### What is the Missouri Drug Card?

Missouri Drug Card is a FREE statewide discount prescription assistance program. The program was launched to help uninsured and underinsured residents afford their prescriptions.

### Who is eligible to participate in the Missouri Drug Card program?

Every resident of Missouri is eligible to receive a FREE prescription discount drug card.

### How do Missouri residents get a Missouri Drug Card?

Residents can download a FREE card, search drug pricing, and locate participating pharmacies by visiting [www.msma.org/missouri-drug-card](http://www.msma.org/missouri-drug-card). CVS/pharmacy and Kmart Pharmacy are the preferred pharmacies for the Missouri Drug Card. Anyone not able to access the website, or otherwise obtain a member card, can visit any CVS/pharmacy or Kmart Pharmacy in Missouri to have their prescription processed through the program. Residents can also obtain cards at various health centers, hospitals, clinics, businesses, and other card distribution sites that are being set up across the state. The cards are accepted at more than 56,000 pharmacies across the country.

### How can Missouri Drug Card provide free cards to residents?

This statewide prescription assistance program is made possible and funded through the support and participation of pharmacies and pharmaceutical companies.

### What makes Missouri Drug Card different from other prescription programs?

- No forms to fill out to obtain a card
- No restrictions to participate
- No eligibility or income requirements/limitations
- No waiting periods
- No age restrictions
- No exclusions
- No health restrictions
- No forms to file
- No annual or lifetime limits
- Open formulary so that both brand and generic medications are eligible for discounts
- Confidentiality: No personal information will be sold, shared, or distributed

### Can this program be used by people who have insurance with prescription benefits?

This program was launched to help the uninsured people of Missouri afford their prescriptions. However, people with insurance can also use Missouri Drug Card to get a discount on medications not covered by their insurance (non-covered drugs).

### What type of discounts can you expect when you use this card?

Savings vary, with savings on some medications as high as 75%+.

### What prescriptions are discounted with this program?

The program has an "OPEN FORMULARY" which means that brand and generic medications are eligible for a discount through this program.

### What are the highlights of the Missouri Drug Card program?

#### PROGRAM HIGHLIGHTS:

- The cards are FREE to all Missouri residents.
- There are no forms to fill out to obtain a card, no restrictions, no age or income requirements, no waiting periods, no eligibility required, no exclusions, no health restrictions, no forms to file, no annual or lifetime limits, includes discounts on brand and generic medications, open formulary so that brand and generic medications are eligible for discounts.
- This program has a "LOWEST PRICE" feature that provides cardholders the lowest program price on prescriptions at participating pharmacies (Medication Pricing/Discounts are calculated on the program's lowest negotiated contract price and the pharmacy's "usual and customary" price).
- This program can be used by people who have Health Savings Accounts (HSAs), High Deductible Plans, and Medicare Part D.
- The program can be used as a standalone discount card or to receive discounts on non-covered drugs.
- All MISSOURI residents are eligible to participate in this program.
- To obtain a FREE card you can access [www.msma.org/missouri-drug-card](http://www.msma.org/missouri-drug-card) 24 hours a day and download as many cards as you need.
